

Your *Health Care Summary* — beyond an explanation of your benefits

Claims information, how to save money, ways to stay healthy — it's all there and more

You expect a lot from us as your health plan. That's ok. Challenge accepted! It's why your *Health Care Summary* includes all the details you're used to seeing in an explanation of benefits (EOB) — the care you got, what the charge was, how much you'll pay and how much we'll pay. But it doesn't stop there! Check it out ...

You pay \$175.00. Here's how it breaks down.

Copay	Deductible	Your share of the cost (coinsurance)	Services not covered	Your total cost
0.00	175.00	0.00	0.00	= 175.00
0.00	175.00	0.00	0.00	= \$175.00

It's got everything you'll want to know about a claim.

In the *Claims summary* section, you'll get a quick look at how much the charge was for your care and how much of that you need to pay. For more details about a claim ... well, go to the *Claims details* page. It'll break down the amounts for your copay, deductible, coinsurance and services not covered to make it simpler to understand your claims.

Want to know how much of a claim went toward your deductible and out-of-pocket maximum?

Your year-to-date summary will give you a look at that and also show you how much is left until you reach those.
